Intelligence Community

Dear Dan:

Thank you for your letter concerning my confirmation. This will be a very difficult job, but I will give it the best I've got. I am confident that the future can be a good and constructive one with opportunities outnumbering the problems.

I am particularly proud and honored to be working side by side with you in support of George Bush as we confront the task of staking out the future of American intelligence.

Angie joins me in sending all the very best to you and Elaine.

Faithfully yours,
